SAYONA PRESENTS EXPANSION PLANS AT NOOSA VIRTUAL CONFERENCE

Highlights

- Sayona to update investors on Company's rapid growth strategy in presentation as part of Noosa Mining Virtual conference
- Investors can register online via the conference website (www.noosaminingvirtual.com.au), with presentation to commence from 9.40am AEST Friday, 17 July (7.40 p.m. EDT Thursday, 16 July)

Emerging lithium miner Sayona Mining Limited (ASX:SYA; OTC:DMNXF) invites investors to learn more about the Company's exciting growth strategy in Canada and Australia at a webinar as part of the Noosa Mining Virtual conference, at 9.40 am AEST Friday, 17 July 2020 (7.40 p.m. EDT Thursday, 16 July 2020).

Sayona's Managing Director, Brett Lynch will outline Sayona's current growth plans and vision to become a leading lithium producer in Québec, amid the Company's bid for North American Lithium and rapid growth of the lithium-ion battery market in North America on the back of the electric vehicle revolution.

The presentation will also highlight the benefits of Sayona's earn-in agreement with established lithium producer Altura Mining concerning an exploration portfolio of lithium and gold projects in the Pilbara region of Western Australia.

The presentation will be released to the ASX on Friday, with a recording also to be made available via the conference website.
